

IN THE SPECIFICATION

At the top of the first page, just under the title, insert or replace:

This is a continuation of U.S. National Application No. 08/849,711, filed June 12, 1997, now U.S. Patent No. 6,091,955, and International Application No. PCT/FI96/00540, filed October 11, 1996, which published as WO 97/14260, on April 17, 1997, which in turn claims priority from Finland Patent Application No. 954879 filed October 13, 1995, the contents of all of which are incorporated herein by reference.

Please insert the Abstract of the Disclosure provided on the attached separate sheet into the National Stage application.
